

LYRICS

It Don't Mean A Thing

It don't mean a thing if it ain't got that swing,
doo wah, doo wah, doo wah, doo wah, doo wah, doo
wah, doo wah, doo wah.
It don't mean a thing, all you got to do is sing,
doo wah, doo wah, doo wah, doo wah, doo wah, doo
wah, doo wah, doo wah.
It makes no diff'rence if it's sweet or hot;
just give that rhythm ev'ry thing you got.
It don't mean a thing if it ain't got that swing,
doo wah, doo wah, doo wah, doo wah, doo wah, doo
wah, doo wah, doo wah.

Sweet and Lovely

Sweet and lovely, Sweeter than the roses in May,
Sweet and lovely, heaven must have sent her my way.
Skies above me never were as blue as her eyes,
And she loves me, Who would want a sweeter sur-
prise?
When she nestles in my arms so tenderly— there's a
thrill that words cannot express.
In my heart a song of love is taunting me, Melody,
haunting me.
Sweet and lovely, Sweeter than the roses in May,
And she loves me, There is nothing more I can say.

Moonglow

It must have been moonglow way up in the blue,
It must have been moonglow that led me straight to
you;
I still hear you saying "Dear one, hold me fast."
And I start in praying oh lord please let this last.
We seemed to float right through the air, Heavenly
songs seemed to come from ev'ry-where;
And now when there's moon-glow way up in the blue,
I always remember that moon-glow gave me you.

The Shadow Of Your Smile

The shadow of your smile when you are gone
Will color all my dreams and light the dawn.
Look into my eyes my love and see
All the lovely things you are to me.
Our wistful little star was far too high.
A tear drop kiss'd your lips and so did I.
Now when I remember spring— All the joy that love
can bring, I will be remembering
the shadow of your smile.

Day By Day

Day by day— I'm falling more in love with you, and
day by day— my love seems to grow. There
isn't any end to my devotion, It's deeper, dear, by far
than any ocean. I find that
day by day— you're making all my dreams come true,
So come what may— I want you to know—
I'm yours alone, and I'm in love to stay, As we go
through the years day by day.

Caravan

Night and stars above that shine so bright
The myst'ry of their fading light that shines upon our
caravan;
Sleep upon my shoulder as we creep
Across the sands so I may keep this mem'ry of our
caravan.
This is so exciting you are so inviting,
Resting in my arms as I thrill to the magic charms of
you beside me here beneath the blue.
My dream of love is becoming true
within our desert caravan.

On Green Dolphin Street

Lover, one lovely day. Love came, planning to stay.
Green Dolphin Street supplies the setting
The setting for night beyond forgetting, and
through these moments apart mem'ries live in
my heart.
When I recall the love I found on, I could kiss the
ground on Green Dolphin Street.

Just Friends

Just friends lovers no more, Just friends but not
like before.
To think of what we've been and not to kiss again
seems like pretending— It isn't the ending—
Two friends drifting apart— Two friends— but one
broken heart. We loved, we laughed, we cried, and
suddenly love died, The story ends— And we're just
friends.

I Fall In Love Too Easily

I fall in love too easily, I fall in love too fast,
I fall in love too terribly hard— For love to ever last.
My heart should be well schooled
'Cause I've been fooled in the past
And still I fall in love too easily
I fall in love too fast.
